**QUALITY,
AFFORDABLE,
UNIQUE CAMPS!**

Camp Oasis offers a distinct camping experience that not only includes traditional camping activities, but also incorporates a themed adventure where your child will enjoy many interesting and exceptional opportunities!

And, we have actually lowered most of our camp rates because we want kids to experience camp and to learn/grow in their faith!

The Strength of Experience

Means we have phenomenal staff that have extensive training to nurture your child and provide an outstanding, safe camp experience!

For week long camps, we'll take our bus to a local water park
